RESPONSE

This paper is in response to the Office Action mailed August 8, 2005. **Applicant hereby demands that the PTO forthwith immediately correct the correspondence address for this application. Yet again the PTO has sent a communication to the wrong address.**

A new Power was filed June 30, 2005, and it was then, and now repeated, that all future correspondence **must** be directed to:

Bruce E. Lilling
(Reg. N. 27,656)
Lilling & Lilling P.C.
Customer No. 24101
PO Box 560
Goldens Bridge, N.Y. 10526
914-684-0600 extension 1
Facsimile 914-684-0304
Bruce@Lilling.com

This request was repeated on July 21 and 25 and August 11, 2005, but the PTO has not corrected its records. Despite multiple notices to change the address, the PTO still sent the July 13, 2005 Advisory Action and the August 8, 2005 Office Action to the wrong address.

On August 11, 2005, the below signing attorney spoke to the Examiner Mr. Alejandro and he confirmed that the PTO computer database shows the correct address. Nonetheless, the PTO is apparently not using the correct address and is using an old address when things are actually put in envelopes and mailed,

This problem needs to be corrected, and only the correct address should be used.
